

CENTRAL BOARD MINUTES  
Nov. 7, 1944

The president called the meeting to order and the minutes of the Oct. 17, 26, and 31 meetings were to be read and corrected.

The Budget and Finance Committee recommendation was discussed and approved.

Bakke moved Central Board accept the following recommendation: The Budget and Finance Committee following consideration of a request by the Editor of the 1943-44 Sentinel recommends that the Business Manager and Associate Editor of the 1943-44 Sentinel each be paid a salary of ten dollars (\$10) per month for a period of eight months and the Editor of the 1943-44 Sentinel should be paid a salary of fifteen dollars (\$15) per month for a period of eight months. The Business Manager and the Associate Editor have already been paid five dollars (\$5) per month for 8 months, and the Editor has been paid ten dollars (\$10) per month for 8 months. The amounts previously paid each person should be deducted from the total salary recommended above. The Budget and Finance Committee wishes to recommend a bonus of one hundred and twenty-five dollars (\$125) to the editor of the Sentinel for satisfactorily completing the work on the book. Castle seconded and the motion carried.

Means of making the students aware of the purpose of the Betterments Committee were discussed. This committee needs more publicity so it was decided that Jean Richards, head of the committee, should be asked to attend the next Central Board meeting.

Publications Board recommendations for editor and business manager of the 1944-45 Sentinel were considered. Ellsworth Jones is Publications Board's first choice by a vote of five to four and Virginia Sikonia second choice by a vote of four to five. Because of her previous experience and her obvious interest in the position, Virginia Sikonia's recommendation is the first choice of Central Board so she will become the editor of the 1944-45 Sentinel. The petition of Alice Drum for the position of business manager of the 1944-45 Sentinel was the only recommendation submitted by Publications Board to Central Board and was therefore accepted by Central Board and Alice Drum will be the business manager of the 1944-45 Sentinel.
